New Versailles solid timber planters. Perfect for formal gardens, framing walkways, focal points and to contrast or compliment architecture.

Designed by a landscape architect to ensure proportional balance of all size units. All Cedar frame and finished in white Satin paint for a crisp clean contrast to any plant foliage. An additional charge of \$50.00 for other paint colours.

NOTE: Finials have been upgraded to ornate balls on all size planters and each unit is lined internally with a 3 layer Geotextile material for improved drainage.

Four sizes available - Small 15 x 23" high - \$395.00 each, Medium 19 x 21" high - \$425.00 ", Large 24 x 27" high - \$525.00, Extra Large 29" x 30" high - \$599.00.

The latest addition to the Versailles range is the long planter:

51" x 15" x 16" high - \$399.00. For ease of moving casters can be fixed beneath.

Height taken to top of legs and excludes height of Finial.
